

Community Blue connects you to a provider network that offers patient-focused care with state-of-the-art technologies. In western Pennsylvania, this network includes more than 50 community and specialty hospitals, and more than 7,600 physicians. With vast experience in cancer care, heart care, behavioral health, and children's and women's care, your provider network can address any care need you may have ... conveniently, compassionately and expertly.

Community Blue is a service mark of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans. Blue Distinction is a registered mark of the Blue Cross and Blue Shield Association.

Blue Distinction Centers (BDC) met overall quality measures for patient safety and outcomes, developed with input from the medical community. A Local Blue Plan may require additional criteria for facilities located in its own service area; for details, contact your Local Blue Plan. Blue Distinction Centers+ (BDC+) also met cost measures that address consumers' need for affordable healthcare. Each facility's cost of care is evaluated using data from its Local Blue Plan. Facilities in CA, ID, NY, PA, and WA may lie in two Local Blue Plans' areas, resulting in two evaluations for cost of care; and their own Local Blue Plans decide whether one or both cost of care evaluation(s) must meet BDC+ national criteria. Blue Distinction Total Care (BDTC) providers met BDTC national criteria. National criteria for BDC, BDC+, and BDTC are displayed on www.bcbs.com. Individual outcomes may vary. For details on a provider's in-network status or your own policy's coverage, contact your Local Blue Plan and ask your provider before making an appointment. Neither Blue Cross and Blue Shield Association nor any Blue Plans are responsible for non-covered charges or other losses or damages resulting from Blue Distinction or other provider finder information or care received from Blue Distinction or other providers.
